5. Kindly note that FPAM will be carrying out periodic inspections and compliance reviews as required.

6. Attached are a copy of the following:

   i. National Public Buildings Maintenance Policy and
   ii. A gazette of Executive Order 11. (National Public Buildings Maintenance Order, 2022).

7. Please bring this to the attention of all Departments and Agencies under your ministry while other documents such as the Public Assets maintenance manual and Compliance forms will be issued during implementation.

8. We trust in your cooperation and commitment to upholding this critical policy that protects the nation's assets and promotes a sustainable maintenance culture in the public sector.

DR. SHUAIB M.L BELGORE, OON, NPOM
PERMANENT SECRETARY

FEDERAL MINISTRY OF HOUSING AND URBAN DEVELOPMENT

HEADQUARTERS MABUSHI, ABUJA, NIGERIA.

OFFICE OF THE PERMANENT SECRETARY

30th October, 2025.

The Permanent Secretary,
Federal Ministry of Housing and Urban Development, Headquarters,
Housing Block, Mabushi, Abuja.

ENFORCEMENT OF THE NATIONAL PUBLIC BUILDINGS MAINTENANCE ORDER, 2022.

The Federal Public Assets Maintenance (**FPAM**) Department of the Federal Ministry of Housing and Urban Development brings your attention to the National Public Buildings Maintenance Order, 2022, which mandates the institutionalization of a culture of maintenance across all federal assets and infrastructure. (***See The Federal Republic of Nigeria official Gazette NO. 84. Dated 4th May, 2022, Vol. 109 pgs. B1087-B1089 Government Notice No 120 on the National Public Buildings Maintenance order 2022).***

This order expressly empowers FPAM to coordinate, monitor, and enforce compliance with the maintenance of public buildings and assets, ensuring that these national investments are preserved for long-term functionality, safety, and efficiency.

It has become imperative that all MDAs fully align their internal operations with this directive by:

1. Designating a Maintenance Desk Officer within your Ministry/ Department/ Agency to liaise with FPAM.
2. Developing and submitting a comprehensive Maintenance Schedule for all physical assets under your care, in accordance with FPAM's guidelines.
3. Budgeting for maintenance activities in your annual submissions to ensure adequate funding for implementation.
4. Granting access, when required, to assess the state of public infrastructure under your agency and ensure adherence to the national standards.
